THE NEW GWM P500

Gone are the days of the ordinary bakkie. Introducing a revolutionary force – a TRUCK, unlike anything you've ever experienced. Powered by a groundbreaking 2.0L Turbo Hybrid Engine, the GWM P500 HEV unleashes 255 kW of power and 648 Nm of torque, delivering unparalleled on-road performance and conquering off-road challenges with effortless dominance.

Also available in a 2.4L turbo-diesel with 135 kW of power and 480 Nm of torque, simple pressure on the pedal in this machine unleashes an instant surge of power and exhilaration. Towing, hauling, or any task you throw its way, the GWM P500 tackles it with unwavering capability.

EVOLVE YOUR EXPECTATIONS

IS IT A BAKKIE?
IS IT A PICKUP?

NO, IT'S A TRUCK!

The P500 redefines bakkie capability, that's why we call it a TRUCK! It delivers spine-tingling on-road performance while conquering off-road obstacles with unrivalled prowess.

Engineered to dominate any terrain you dare to explore. Combining strength, versatility and relentless performance.
